Mission Statement:

The mission of the Alfred Montessori School is to create a loving and nurturing environment where the children "learn, grow and become" their own productive beings. The school also strives to be flexible regarding our families' needs while having a positive impact on our community.

Montessori education for all children is based on these concepts:

1. The aim of Montessori education is to foster autonomous, competent, responsible, adaptive citizens who are life-long learners and problem solvers.
2. Learning occurs in an inquisitive, cooperative, and nurturing atmosphere. Students increase their own knowledge through self and teacher initiated experiences.
3. Learning takes place through the senses. Students learn through manipulating materials and interacting with others. These meaningful experiences are precursors to the abstract understanding of ideas.
4. The individual is considered a whole. The physical, emotional, social aesthetic, and cognitive needs and interest are inseparable and equally important.
5. Respect for oneself, others, the environment, and life is necessary to develop a caring attitude toward all people.

School Hours:

We operate as a school in toddler and preschool classrooms from 8:30am-3:30pm. Since we believe in building strong communities within our classrooms, it is our preference to have children attend the school hours every day. However, we understand this does not meet the needs of every family, so we do offer 3 and 4 day options. During the school day, every classroom operates based on the Montessori methods and practices.

Tuition:

Tuition is determined on a yearly basis; however we divide the cost among 10 months so that the monthly fee remains consistent even when the number of school days per month is not always the same.

Childcare Hours and Fees:

Many families need additional childcare for their children beyond the school day. We offer before and after school childcare in the toddler and preschool classrooms.

Before care: 8:00am-8:30am

After care: 3:30pm-5:00pm
